TERMS AND CONDITIONS

Decagon Devices, Inc. agrees to lend factory-owned equipment to the person/company at the address listed on this agreement form. Offer is only valid in the United States.

Location: The loaner equipment must remain with the person/company listed on this document unless other arrangements have been made in writing. Sending the equipment elsewhere may result in charges being collected for the retail price of the items.

Return: Loaner equipment should be returned within five (5) working days from receipt of your serviced equipment.

Late Charges: After a five (5) day grace period for return of the equipment, rental fees will be assessed and invoiced monthly to the recipient of the equipment until the equipment is received at Decagon. The total invoiced amount shall not exceed the retail price of the equipment. In the case that the full price of the instrument has been invoiced and paid, ownership of the loaner unit will transfer to the recipient listed on this form.

Shipping Charges: This loaner service is provided at no charge to you and the item(s) has/have been shipped to you at Decagon's expense. Upon request return shipping labels can be requested from your decagon sales or support representative.

Loss or Damages: Any damages incurred to the equipment beyond normal wear and tear will be repaired and invoiced at our normal service rates. If you have questions about the current service rate, please ask a sales or support representative.

Liability and Indemnity: Liability for injury, disability, and/or death of employees and other persons caused by operating, handling, or transporting the equipment during the term of this agreement is the obligation of the user, and the user and/or his/her company shall indemnify and hold Decagon harmless from and against all such liability.

By signing this document I acknowledge and accept the terms listed on this form.
